# SPARTAN RACE

[www.liteacherspartan.com](http://www.liteacherspartan.com)

Bellport Teachers Association has been participating every June in the Reebok Spartan Race for the past several years. For June 2016 we decided to make it extra special. We would like other Long Island teachers to join us and represent their union. Events such as these are always better with larger groups!

We have created an **LI Teachers & Friends Team** this year. Therefore we are reaching out to all Long Island teachers, family, and friends to join us for the June 2016 Spartan Race!
